Dear Mr. Hannon and Mr. Sukys:

The California Department of Transportation (Caltrans) has completed the review of the following amendment to the San Joaquin Council of Governments' (SJCOG) 2010/11 – 2013/14 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
31	Local and State Elements

- This amendment makes funding changes to existing projects and programs new projects funded from the Congestion Mitigation and Air Quality Improvement Program, Surface Transportation Program, Safe Routes to School Program, Public Lands Highways Discretionary Program and local transportation funds.

See enclosures.

The SJCOG Board Resolution adopting this FTIP amendment certifies that the amendment is financially constrained, consistent with the adopted conformity analysis, and meets the requirements of public involvement procedures adopted by SJCOG.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve SJCOG Amendment Number 31. I also recommend that the Federal Highway Administration and the Federal Transit Administration approve this FTIP amendment for inclusion into California's 2011 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP amendment in fiscal years not within the four-year cycle of the current FSTIP are not approved as part of this FTIP amendment and are shown for information only.
